D.C. Patel Educational Campus,
New Citylight, Surat

Subject: Practical Assignment - 1
(305 - Web Designing-I) (Elective – I) (2025-26)

1. Create an "E-Commerce website" using the following technologies:

a. HTML   b. CSS   c. Bootstrap

Use all these technologies listed above. Create the following pages:

a. Home
b. About Us
c. Product Gallery
d. Testimonials
e. Contact Us
f. Sign Up/ Sign In

Create the above menu with Button Groups and Dropdown menu for Product Gallery (As shown in figure).

Implement the following:
1. Create **Sign Up** and **Sign in** Form using Bootstrap 4 Control classes.
2. Validate the **Sign Up** and **Sign in** Form for proper input using JavaScript.
3. Implement a Bootstrap Theme on Product Gallery Page.
4. Use Images and Media Objects from Bootstrap on Testimonials Page.
